

What happens throughout an insurance claim?

The process of a commercial insurance claim depends on many factors, not least, which industry the business is in and how much damage it has sustained. In order to advise business owners about the likely process they face, we recommend a free, no obligation consultation with one of our experienced commercial Loss Assessors.

A commercial insurance claim is likely to involve the following elements, each of which is the responsibility of the business owner or their Loss Assessor should they choose to appoint one.
